EDUCATION

PROFFESIONAL EXPERIENCE

1983-1986 Salford College of Occupational Therapy
Dip COT

1967-1982 Mount Carmel Covent School
Alderley Edge
Cheshire
10 O'levels
3 A'levels

Nov 2008 – Band 6 Community Paediatric Occupational Therapist
Current Integrated Service for Children with Additional Needs (ISCAN)
Tameside and Glossop Primary Care Trust

Roles and Responsibilities:

I assess and treat children from 0-19 in a variety of settings including their homes, schools and clinics. I am a member of the ISCAN team which is comprised of many disciplines from a health and social care background. Close liaison with parents, other therapists and school staff ensure that children with a diverse set of additional needs receive a comprehensive and coordinated approach to their assessment and treatment.

Key Achievements:

- Joint implementation of a Developmental Coordination Disorder Assessment Clinic
- Development of a Pathway for children through the wheelchair service
- Presentation of Research for a Clinical Audit
- Presentation of Research at OT National Conference
- SLA at a Specialist school supporting application for Autism Accreditation
- SLA at a Specialist school supporting environmental modification to support best learning opportunities for children with Complex Needs

December 1994- Senior 1 Community Paediatric Occupational Therapist
July 2004 Salford Community Paediatric Therapy Services
Salford Primary Care Trust

Roles and Responsibilities:

This involved working with children aged 0-18 years in a variety of settings-home, clinic, hospital and mainstream and special schools. I was responsible for leading the preschool occupational therapy team and compiling a Business Plan proposing a combined therapy in reach service to a regional Neonatal Intensive Care Unit.

Key Achievements:

- I introduced an Occupational Therapy In reach service to a neonatal intensive care unit

- I completed the 'Early Assessment and Intervention of Babies and Young Children' Course at the Bobath Centre

July 1986- Basic Grade and Senior 2 and Senior 1 Positions
October 1994 Macclesfield District General Hospital

Roles and Responsibilities:

I worked in a variety of areas covering Psychogeriatric Medicine , Medicine and Surgery, Orthopaedics, Community Learning Disabilities and Community Paediatrics.

As a Senior Occupational Therapist I worked in a Child Development Centre where I was involved in setting up working practices and environments. I worked closely with multi-disciplinary team members to provide children and their families with a high level of care

Key Achievements:

- I attended a Bobath Course which consolidated my assessment and treatment technique for children with cerebral palsy and allied neurological conditions.
- I had an active role in the education of postgraduates in medicine and parent groups.

REGISTRATION

Registration No: OT14703

SKILLS

I am able to write comprehensive reports supported by information gained from standardised assessment processes and clinical observation. This provides the foundation for devising appropriate treatment plans and advice and education for all persons involved with the child

INTERESTS

I support my own children in a wide variety of activities both indoor and outdoor.

I have a keen interest in dogs and horses-breeding and training both.

I have project managed the renovation of an old and derelict building into a mixed residential and business facility.
